TOOLS FOR COMMUNITY LED DEVELOPMENT

ABOUT US

OneVillage Partners catalyzes community-led transformation in the Kailahun District, Sierra Leone. The cornerstone of our approach is that development must be community-led; interventions must be inspired, created, and implemented by the community members which they benefit. Hoping for organizations aiming to implement community led projects, we offer training in the following areas.

"The most useful skills I gained from this training is how to facilitate a focus group and appreciative inquiry" - Community Outreach, Facilitation, and Tools Methodology Training, CRC Participant

IMPROVING VOLUNTEER MOBILIZATION AND CAPACITY
